

REMARKS/ARGUMENTS

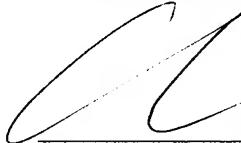

The claims have been amended to delete non-elected subject matter. Support can be found in the claims as originally filed.

Applicants further note a clerical error in SUPPORT FOR AMENDMENTS section in the response filed September 24, 2008. The paragraph beginning on page 42, line 2 recites "water was added to the filtrate". Furthermore, the amendments were to correct translation errors.

No new matter has been added.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
